RE: July Quarterly Report (05/22/2014 – 06/30/2014)

Dear Mr. Holly:

This is in response to the Commission's letter on August 25, 2104, regarding the Bellows for Senate July Quarterly Report (5/22/2014 – 06/30/2014):

1. On page 184 of the report, the Committee noted that it planned to refund a contribution from a labor organization. In accordance with Commission regulations, this refund was made within 30 days of the committee becoming aware of the illegality of the contribution. This refund will be reflected on the Committee's October Quarterly Report.
2. All contributions designated for the 2014 primary election were made on or before June 10, 2014. The Committee has retained records to demonstrate that any contributions received after that were, in fact, made on or prior to that date.
3. A contribution was wired to the Committee on June 5, 2014. However, the Committee did not receive notification of this contribution until June 18, 2014. Upon receiving such notification, the Committee promptly filed an amended 48-hour notice to correct the public record and reflect the receipt of the contribution.

We hope that this information adequately addresses the Commission's questions. If the Commission requires any further information, please do not hesitate to contact the Committee.

Sincerely,

Katie Mae Simpson
Assistant Treasurer
